Looking for lights and a PA

The Circus Project would love to have a basic lighting system and a PA so that we can put on shows at Hangleton, giving the hundreds of people aged 6-60 who learn with us the opportunity to perform if they want to. We wondered if anyone knew of anywhere we might be able to get this sort of thing for free or cheap. Do you know of a school, club or individual who has equipment growing dusty in a cupboard and who would be willing to donate it to a good cause? Please let us know if you might be able to help. Thank you!
