

Circus News

May 2009

It's festival time in Brighton and lots of circus to be seen right on our doorstep! We've had 2 amazing workshops learning bungees, flying trapeze and hoop with NoFit State in their spaceship big top – one for our youth circus, and one for our intermediate adult students. We have started work on *Climb* – a long term aerial theatre project for children living in care. Our website is nearly finished and we have taken the first steps towards creating a Circus Network for the South. Hope to see you at a class, workshop or show soon! - Emma
