

OPPORTUNITY TO JOIN THE CIRCUS PROJECT'S BOARD OF TRUSTEES

The Circus Project is seeking to attract a number of new Board Members to work with our current members and employees. Specifically we are looking for those who can demonstrate a commitment to the ethos and vision of the charity and help with the continual work aimed primarily at supporting young people, raising the standard of youth circus, nurturing talent and encouraging innovation and excellence.

The Circus Project is an award-winning charity founded in 1999 specializing in aerial circus, with experience devising theatre, dance and more recently, animation, film and multimedia. We attract a range of people from the wider community, from young individuals to professional circus companies, artists and aerialists. We do this by running classes and workshops, encouraging and supporting new ideas and work in contemporary circus to produce shows and cabarets to showcase the talents of our students.

Expressions of interest are particularly sought from individuals who have skills or experience in one or more of the following areas:

- Accountancy and financial management;
- Marketing and PR;
- Secretarial and board administrative duties,
- Working with children and young people, and
- Fundraising/Development

In addition, interest in or experience of the equalities agenda, sustainable development and/or legal and governance matters would be advantageous.

Joining our board would require that individuals attend meetings of the Board and its standing committees (around eight meetings per year, usually early evening) in Brighton. To register your interest in becoming a member of our board please contact the charity administrator Naomi Simpson at mail@thecircusproject.co.uk
